The Most Holy Trinity

Go...and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.

- Matthew 28:19

THE TRINITY IS LOVE

Theologians throughout the Christian centuries have spilled much ink (and, on occasion, some blood) in describing and defining the mystery of the Holy Trinity. One of the earliest, most poetic, and beautiful descriptions comes from St. Augustine in *De Trinitas*, wherein he describes the Trinity as One (the Father) who loves, One (the Son) who is loved, and One (the Spirit) who is love. And these three Ones are also one Three.

It might be wisest for us to leave the technical wranglings to the academic theologians, and focus on the fact that the three Persons of the Trinity are indeed persons; they are best known and understood in their love for each other and for us. We are made in the image of those loving persons, and our best relationships are lived out in the context of love. Truly loving relationships are inexhaustible mysteries to be lived in joy. If this is true of our human relationships, how much more so is it true of our relationship with the Trinity. And how much more does it call upon us to be joyful, loving witnesses of the holy mystery of the One-in-Three. This is the mystery to which we were called when we were chosen to be God's own, baptized with water in the name of the Holy Trinity.

TREASURES FROM OUR TRADITIONS

There are plenty of "treasures" in our tradition that if resurrected today would cause anxious moments for bishops! Many concern marriage. There was a time when the church "consecrated" both virgins dedicated to prayer and charity, and brides dedicated to husband and family. Virgins were blessed in the sanctuary of the church, and brides in the sanctuary of the home. The custom of blessing the bride in the marriage chamber was standard in England, Ireland, Spain, and France until the eleventh century.

If the groom (the groom's side planned the wedding) chose from the full menu of liturgy, there would be a blessing of the bridal room, solemn evening prayer on the eve and morning prayer on the day of the wedding, a blessing at the church door of the spouses, and then in the church for the wife alone during Mass, and Communion. After the feast, a priest would represent the bride's father in presiding over the legal process by which the bride transferred from her father's clan to her husband's. Some enduring customs harken back to these days when marriage was seen as a contract between men (the bride's father and the groom) and was not so much about living out one's baptismal call, and certainly not about the equality of the spouses in Christ. Happily, this baptismal focus has been restored and unhelpful customs set aside by today's marriage rite.

SOCIAL JUSTICE

Petition Signed

May 16/17 members of our parish community –437 of them, signed the petition opposing Senate Bill 128, (Physician assisted Suicide.) These petitions were delivered by a member of the Social Justice Ministry to the office of Senator Richard Pan, our area's State Senator. Appreciation goes to all who took time to sign this petition. Special appreciation goes to Fr. Felipe, who gave his support to this pro-life effort, opposing assisted suicide, and to the men and women who manned the tables with the petition. Euthanasia and assisted suicide stand in contradiction to the Catholic understanding of life, and the dignity of people. They should never be permitted.

Change our Belief?

In April, at the Women in the World Summit, Hillary Clinton delivered an address which included comment concerning abortion. Mrs. Clinton said: "Laws have to be backed up with resources, religious beliefs and structural biases have to be changed." Is Mrs. Clinton, in promoting her pro-abortion agenda, challenging our Catholic Church to change our belief that life is sacred from the moment of conception? What do you think?

Bottled Water for the Homeless

As in past years the Social Justice Ministry would appreciate your donation of bottled water for the homeless. As the weather gets hotter those living on the streets will be truly grateful for your kindness. Beginning next week containers will be in the entryways of the church for your donations.

HEALTH MINISTRY

A Free Blood Pressure Screening Clinic will be held Sunday, June 7th, in the parish hall from 8:30 am to 12:30 pm. These screenings are presented to increase awareness and knowledge of prevention, detection, and management of high blood pressure and are provided free by your Health Ministry Team.

Because it is possible to have high blood pressure without any symptoms - and because untreated high blood pressure can cause serious problems even death - it is often called the "silent killer." Come and let the nurses of our parish help you monitor and control your blood pressure.

What is high blood pressure and why is it important to you?

High blood pressure is a common condition and is determined by the amount of blood your heart pumps and the amount of resistance to blood flow in your arteries. The more blood your heart pumps and the narrower your arteries, the higher your blood pressure. You can have high blood pressure for years without any symptoms. Uncontrolled this increases your risk of serious health problems, including heart attack and stroke.. Fortunately, high blood pressure can be easily detected. And once you are aware of it you can work with your doctor to control it.

RELIGIOUS EDUCATION CENTER

Because of the deteriorating condition of the campus classrooms the Parish decided to build the Religious Education Center. The old classrooms were hot in summer and cold in winter. The classes held in the old hall were subject to having ceiling tiles fall on the students. During the planning phase it was decided that the parish would provide modern, up-to-date classrooms for our CFF students. A committee was formed to determine the types of desks and chairs, and the colors that would be used in the classrooms. A separate committee was formed to ensure that the state of the art audio visual equipment was available to our catechists. The results of all this planning are obvious when you enter any of the classrooms. The question is though, do the students appreciate the fact that our parishioners have, and still are, giving of their treasure to provide the students with these outstanding facilities. During Lent, Sr. Kathy and the catechists challenged the students to give up something they liked for Lent and to donate the money they would have spent to help pay off our loan on the Religious Education Center. If there is any doubt about their appreciation the \$3,291.69 they collection should put that doubt to rest. Thank you CFF students for your sacrifice, and thank you Sr. Kath and catechists for giving them the opportunity to show their appreciation.

La Santísima Trinidad 31, de mayo 2015

LA TRINIDAD DE AMOR

Una de las más antiguas, más poéticas y más hermosas descripciones de la Santísima Trinidad se halla en el libro *De Trinitate*, por san Agustín. Allí, el santo describe a la Trinidad como Uno que ama (el Padre), Uno que es amado (el Hijo) y Uno que es el amor (el Espíritu Santo). Y esos tres Unos suman Uno solo.

Tal vez lo mejor para nosotros sea dejar las dificultades técnicas de este misterio a los teólogos profesionales, y enfocarnos en el hecho que las tres Personas de la Santísima Trinidad son precisamente *personas*; se les conoce y se les comprende en su amor mutuo y en su amor hacia nosotros. Hemos sido creados a imagen y semejanza de esas tres Personas amorosas, y nuestras mejores relaciones se viven en el contexto del amor. Las relaciones verdaderamente amorosas son misterios inagotables que se expresan en una profunda felicidad. Y si esto es así en nuestras relaciones humanas, ¡cuánto más lo será en nuestra relación con la Santísima Trinidad! Y, ¡cuánto más somos llamados a dar un testimonio alegre y amoroso de este sagrado misterio de los Tres que son Uno! Este es el misterio que fuimos llamados a vivir cuando fuimos escogidos como hijos de Dios, bautizados en el nombre del Padre, del Hijo, y del Espíritu Santo.

LECTURAS DE HOY

Primera lectura — El Señor es Dios en los cielos y en la tierra, y no hay otro (Deuteronomio 4:32-34, 39-40).

Salmo — Dichoso el pueblo escogido por Dios (Salmo 33 [32]).

Segunda lectura — Somos hijos de Dios, herederos también; herederos de Dios (Romanos 8:14-17).

Evangelio — Jesús les dice a sus discípulos que vayan y hagan discípulos de todas las naciones (Mateo 28:16-20).

TRADICIONES DE NUESTRA FE

Marcos, Mateo y Lucas nos relatan los eventos de la Ascensión de Cristo al cielo. En estas narraciones Jesús envía a “los Once y los que estaban con ellos” (Lucas 24:33), es decir, a todos los discípulos. La misión que Jesús nos confía es de ser sus testigos y llevar la Buena Nueva del perdón de los pecados desde Jerusalén a todas las naciones y a toda la creación. Esta predicación debe ir acompañada del Bautismo, para que así, las personas que escuchan el mensaje tengan la oportunidad de aceptar en su vida al Señor Jesús.

Por su parte, Jesús envía a los discípulos a bautizar a todas las personas en el nombre de la Santísima Trinidad. Es Dios entero, Padre, Hijo y Espíritu Santo actuando en la vida de toda persona bautizada, así como en la persona misionera. Hoy día estos misioneros son los papás y mamás que traen sus niños para ser bautizados. A ellos Jesús les exige: “Enseñen [a sus hijos e hijas] a cumplir todo lo que yo les he mandado” (Mateo 28:19). También les promete su ayuda diciendo: “Y yo estoy con ustedes hasta el fin del mundo” (Mateo 28:20).

CENTRO DE EDUCACION RELIGIOSA

Debido a la situación de deterioro de las aulas del campus de la parroquia se decidió construir el Centro de Educación Religiosa. Las antiguas aulas estaban calientes en verano y frías en invierno. Las clases celebradas en la antigua sala (Salón parroquial viejo) estaban sujetos a que las tejas del techo cayeran sobre los estudiantes en cualquier momento. Durante la fase de planificación, se decidió que la parroquia proporcionaría modernas aulas, que ahora usan nuestros estudiantes CFF. Se formó un comité para determinar los tipos de mesas y sillas, y los colores que se utilizan en las aulas. Un comité independiente se formó para asegurar que el estado del equipo audiovisual arte estaba disponible para nuestros catequistas. Los resultados de toda esta planificación son evidentes cuando entras en alguno de los salones de clase. La cuestión es, sin embargo, no todos los estudiantes aprecian el hecho de que nuestros feligreses tienen, y siguen siendo, los benefactores dando de su tesoro para proporcionar a los estudiantes con estas excelentes instalaciones. Durante la Cuaresma, la Hermana Kathy y los Catequistas desafiaron a los estudiantes a renunciar a algo que más les gustara durante este tiempo de conversión que es la Cuaresma y donar el dinero que hubieran gastado durante este tiempo de ayudar a pagar nuestro préstamo en el Centro de Educación Religiosa. Si hay alguna duda acerca de su apreciación de los \$ 3,291.69 que fue la colecta, no debe ponerse en duda el esfuerzo hecho por estos estudiantes. Gracias CFF estudiantes por su sacrificio, y gracias Sr. Kathy y Catequistas por darles la oportunidad de mostrar su aprecio.

MINISTERIO DE SALUD

Una clínica gratuita de la presión arterial estará dando servicio el Domingo, 07 de junio, en el salón parroquial de 8:30 am a 12:30 pm. Este proyecto se presentara para aumentar la conciencia y el conocimiento de la prevención, de la detección y el tratamiento de la hipertensión arterial y se proporcionan gratuitamente por el Ministerio del Equipo de Salud. Debido a que es posible tener la presión arterial alta sin ningún síntoma - y porque la presión arterial alta no tratada puede causar problemas graves, incluso la muerte - a menudo se llama el "asesino silencioso". Ven y deja que las enfermeras de nuestra ayuda parroquial te supervisen y controlen su presión arterial. ¿Qué es la presión arterial alta y por qué es importante para usted? La presión arterial alta es una condición común y está determinada por la cantidad de sangre que pasa por sus bombas cardíacas y la cantidad de resistencia al flujo sanguíneo en las arterias. La mayor cantidad de sangre bombeada por el corazón y las arterias más estrechas, más alta es la presión arterial. Usted puede tener arterial alta presión por años sin ningún síntoma. Y estos síntomas incontrolados aumenta el riesgo de problemas de salud graves, como ataques al corazón y derrames cerebrales .. Afortunadamente, la presión arterial alta se puede detectar fácilmente. Y una vez que son conscientes de que se puede trabajar con su médico para controlarla.
