- “There are different kinds of spiritual gifts but the same Spirit;
- there are different forms of service but the same Lord;
- there are different workings but the same God who produces all of them in everyone.
- To each individual the manifestation of the Spirit is given for some benefit.”

LESSONS LEARNED

Many of us think, wishfully, that our need for education ends when we finish our formal schooling. But, in fact, every day that we live and experience life around us we learn more.

Sometimes the things we learn from life around us are not our best lessons. Sometimes we need to refresh our memories of lessons learned in the past. And sometimes we just need to hear more Good News.

CONTINUING CATHOLIC EDUCATION

The Diocese of Sacramento offers ample opportunities for Catholics to continue building their faith through classes, workshops and presentations.

The following adult faith-formation activities are open to all.

Please consider continuing your Catholic education by attending one or more of these offerings.

Get a group together and make a day of it. You'll be glad you did!
